Health Concerns	6

Product: _____

[How much caffeine does the Coffee contain?](#)

Each serving of our product contains 100 milligrams of caffeine, which is similar to about an 8-ounce cup of regular coffee.

[How much sugar does your Coffee have?](#)

Our Coffee is sugar-free.

[Is revital U Coffee gluten-free?](#)

Our Coffee does not contain gluten contributing ingredients. It also does not contain dairy, eggs, fish, crustacean, shellfish, tree nuts, peanuts or soybean wheat.

[How long does a tub/box of Coffee last?](#)

When using the recommended one scoop or Stick a day, your tub or box should last 30 days or a month. One serving equals one cup of Coffee.

[What are the benefits of drinking one cup a day?](#)

Our Coffee has helped individuals experience ease in weight management, have more overall energy and improved mental focus. Please keep in mind, results vary from person to person.*

[How long should I wait until I see results?](#)

Time and results may vary based on the individual. You may begin feeling increased physical and mental energy after only one serving. Other benefits, like ease in weight management, may be noticed over a longer period of time.*

Our Coffee may provide a combination of results but it depends on a person's body, lifestyle and diet.

[Is this product approved by the FDA?](#)

The FDA does not approve nutritional supplements. Our product's ingredients are specifically chosen for quality and purity, from reputable suppliers, that meet our standard of excellence. All of our ingredients are approved for manufacturing by the governing body in the U.S., and are manufactured following GMP standards for dietary supplements.

[Where is the product manufactured?](#)

Our products are manufactured using state-of-the-art technology at reputable manufacturing facilities, in the U.S., following the highest standards for product purity, safety and compliance.

What is the serving size of a Stick?

A Stick is one serving of our product. One serving is 2.25 grams.

My tub was missing the scoop. What is the measurement?

A scoop is equivalent to 2.25 grams, which is slightly less than one teaspoon.

Does your Coffee come in K-cup form?

No, not at the moment.

Is your Coffee Kosher?

Our product is not certified Kosher at this time.

Consuming It: _____

Can I only drink one cup a day?

We recommend one daily cup of revital U Coffee. Taking more will not improve results. You can drink a maximum of two cups daily.

Can I drink more than one scoop/stick at a time?

Yes, you can, but please be aware that you will be consuming twice the amount of caffeine and other powerful actives in the product. You will also run out of the product in half the time. It is meant to last 30 days or a month.*

Can I mix it in with my regular cup of coffee?

Yes, you can, but please be aware that the caffeine content of your beverage will add to the 100 milligrams of caffeine in the product, which might be too much for some people.*

Should I avoid drinking regular coffee while taking this?

You can enjoy our Coffee and continue drinking regular coffee later in the day.

I don't drink coffee. Should I take the usual serving?

If you're not a regular coffee drinker, we recommend starting off with only half a serving. Over time, you can increase to one complete scoop or Stick, without feeling overstimulated by the caffeine.

For those who do not like the taste of coffee, what's the best way to take it?

We're happy you asked! There are many different ways you can take our product and it isn't only by drinking it as coffee. You can mix it into orange juice, protein shake, oatmeal, yogurt, etc. We encourage you to check out our Smart Caps, which provide the same benefits as our Coffee, in a convenient capsule form.

What is a basic way to take your Coffee?

Mix 1 scoop with 4 to 8 ounces of hot or cold water. Do not consume with alcohol, food or drink containing caffeine, or any other stimulants.

When is the best time of the day to have your product? How late?

We recommend taking it with or after your breakfast. Also, remember to drink plenty of water throughout the day to stay hydrated.

Should I take it while following a diet? If so, which one do you recommend?

Please work with your doctor if you're embarking on a serious weight loss program. There is no specific diet we recommend, while taking our product. Our Coffee may help kick start your health journey. But when accompanied with better food choices and physical exercise, you'll feel like the best version of yourself in no time.

Is it okay to have a cup on an empty stomach?

We recommend combining it with food, rather than taking it on an empty stomach.

Should I drink it before or after a workout?

This is an individual choice. We recommend people follow their usual regimen they use with other foods and beverages that provide an energy lift, like our Coffee.

Can my adolescent child take your Coffee?

revital U Coffee is not intended for individuals under the age of 18.

Can I drink this if I don't want to lose weight and just want better focus?

Of course, you can. We know that people don't only want to look better, but also want help to improve their mental focus and clarity.

I'd love to buy a mug. Where can I do that?

We aren't offering individual mugs for sale right now.

Is your product safe to use long-term?

We are not aware of any negative effects, associated with ongoing use of our product. We recommend that you consult with your physician, if you have concerns about taking this product.

Health Concerns:

Can I drink the Coffee while also taking medication?

We recommend customers to take our ingredients list and consult with their physician. Like any other product, there are possible interactions when mixed with medication.*

Can I drink it if I am pregnant or nursing?

No, we do not recommend this product for pregnant or nursing moms.

I want to try your product, but suffer from (X health condition). Can I still drink it?

Please consult with your physician if you're being treated or have a family history of any medical condition, before taking our product.*

Is it normal to experience strange symptoms and/or pain, while using your product?

Please stop using the product immediately and speak with your physician if you experience any unusual or uncomfortable effects.

WARNING: KEEP OUT OF REACH OF CHILDREN. Use only as directed. DO NOT exceed recommended serving, it will not improve results. Not intended for use by persons under age 18, pregnant or nursing women.
