FREQUENTLY ASKED QUESTIONS

WHAT ARE THE BENEFITS OF DRINKING SMART COFFEE?

Smart Coffee has helped individuals experience ease in weight management, have more overall energy and improved mental focus. Please keep in mind, results vary from person to person.*

WHAT MAKES SMART COFFEE DIFFERENT?

Smart Coffee is made with a collection of scientifically supported ingredients and nutrients to yield health and wellness results. Smart Coffee combines 11 bio-optimized ingredients to promote benefits such as an appetite curbing effect, a boost of energy and helping you stay focused.*

WHAT IS THE BEST WAY TO TAKE SMART COFFEE?

Smart Coffee can be enjoyed one to two times per day. Mix one Coffee scoop or stick (3g) with 4 to 8 ounces (120-240ml) of hot or cold water. Stir until mixture is dissolved. When taking Smart Coffee, we recommend to restrain from drinking alcohol, consuming food or drink containing caffeine, or taking any other stimulants.

IS SMART COFFEE APPROVED BY THE FDA?

All of our products are manufactured following GMP (Good Manufacturing Practice) standards for dietary supplements.

HOW LONG SHOULD I WAIT UNTIL I SEE RESULTS?

Time and results may vary based on the individual. You may begin feeling increased physical and mental energy after only one serving. Other benefits, like ease in weight management, may be noticed over a longer period of time. Our Coffee may provide a combination of results but it depends on a person's body, lifestyle and diet.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WHERE IS SMART COFFEE MANUFACTURED?

Smart Coffee, along with all of our other products, are manufactured using state-of-the-art technology at reputable manufacturing facilities in the U.S., following the highest standards for product purity, safety and compliance.

HOW MUCH CAFFEINE DOES SMART COFFEE CONTAIN?

Each serving of Smart Coffee contains about 100 milligrams of caffeine, which is similar to the amount found in an 8-ounce cup of regular coffee.

IS SMART COFFEE GLUTEN-FREE?

Smart Coffee does not contain gluten contributing ingredients. It also does not contain dairy, eggs, fish, crustacean, shellfish, tree nuts, peanuts, soybean or wheat.

WHAT IS THE pH OR ACIDITY LEVEL OF REVITAL U SMART COFFEE?

The pH of Smart Coffee ranges between 5.2 and 5.4 when mixed in water – which is very similar to normal pH for black coffee. The pH will of course change when milk or creamer is added to it, or it is used in other ways such as mixed in smoothies, juices, cereal etc. This allows most people to enjoy its benefits in a manner most suitable to them.

HOW LONG DOES A TUB/BOX OF SMART COFFEE LAST?

When using the recommended one scoop or stick one to two times per day, your tub or box should last between 15 to 30 days. One serving size equals one cup of coffee.

I DON'T DRINK COFFEE. SHOULD I TAKE THE USUAL SERVING?

If you're not a regular coffee drinker, we recommend starting off with only half a serving. Over time, you can increase to one complete scoop or stick without feeling overstimulated by the caffeine.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CAN I MIX SMART COFFEE IN WITH MY REGULAR CUP OF COFFEE?

Yes, you can, but please be aware that the caffeine content of your beverage will add to the 100 milligrams of caffeine in the product, which might be too much for some people.

CAN I DRINK MORE THAN ONE SCOOP/STICK AT A TIME?

Yes. You can enjoy one to two servings of our scientifically advanced smart products.

FOR THOSE WHO DO NOT LIKE THE TASTE OF COFFEE, WHAT'S THE BEST WAY TO TAKE SMART COFFEE?

There are many different ways you can take Smart Coffee, and it isn't only by drinking it as a beverage alone. You can mix Smart Coffee into protein shake, oatmeal, yogurt, etc. We encourage you to check out our Smart Caps or Smart Cocoa, which provide the same benefits as our Coffee and contain the same amount of nutrients and ingredients.

CAN I DRINK SMART COFFEE IF I AM PREGNANT OR NURSING?

No, we do not recommend Smart Coffee for pregnant or nursing moms.

CAN CHILDREN OR ADOLESCENTS DRINK SMART COFFEE?

Smart Coffee is not intended for individuals under the age of 18.

CAN I DRINK SMART COFFEE WHILE ALSO TAKING MEDICATION?

Please consult with your physician If you are unsure whether Smart Coffee can be taken with your medication.
