What is a sponsor? How do I get one?

A sponsor is the person who you'll be purchasing our products from. They are also known as Influencers. If you found a posting on social media or know an existing Influencer, you can contact that person directly.

But if you do not have a sponsor, please contact support@revitalu.com and let us know your area of residence. We will then locate the closest leader and put you in contact with them.

What is the difference between buying Retail versus Monthly?

When you buy at the retail price, which starts at \$/£ 49.99, it's for one-time purchases.

The monthly price, which starts at \$/£ 39.99, is for reoccurring orders. This method allows customers to buy products at a lower price and receive new product every 30 days.

Instead of ordering online, can I buy the smart products at a physical location?

Our products are only sold online and are not available through any retail location.

Do you have international shipping?

Our Smart Products are only shipped to the countries we operate in, which are: the United States and the United Kingdom.

How can I track my order?

After you place your order, a follow up email will be sent once your item ships. It will contain a tracking number. Note: Your Influencer/Sponsor can also track your order through their U Office.

How can I make changes to my monthly order?

Managing your monthly order is easy. Please log into your account and the ACCOUNT menu, select MONTHLY ORDERS, where you will see existing orders. Under VIEW, you can use the edit icon to make changes to the quantity, ship date, put an order hold on your order or cancel it by changing the status from "Active" to "Cancelled."

How do I skip a month of my monthly order?

To do this, please log into your account and select MONTHLY ORDERS under the

ACCOUNT menu. There you will see GREEN ARROWS under VIEW. Please press this to skip a month.

Product Concerns

My tub was missing the scoop. What is the measurement?

A Smart Coffee scoop is equivalent to 2.25 grams, which is slightly under 1 teaspoon. A Smart Cocoa scoop is equivalent to 7 grams.

This tub does not have 30 scoops.

Our tubs are filled up to 3 grams over the weight, printed on the label. It's important to remember that people scoop differently. We recommend doing a gentle dip and swiping off the excess on the top. Please do not compact the product into the scoop.
