

Cleanse ■ Detox ■ Reset

Ate a little too much or drank a little too much! Sounds familiar? We all do it at times. This can upset our digestive balance or stress the body's vital detoxification organs such as the liver. Over time this can also lead to excess weight gain and cause an imbalance of the intestinal flora. And did you know that 70% of our immune system is in the gut and can be seriously impacted?*

Slim Tea has been specifically formulated to support your body's natural detoxification function while promoting the health of your liver and resetting the healthy microflora in your gut.*

Our soothing herbal tea with a hint of honey and citrus works gently overnight to promote cleansing and fits into your weight management program effortlessly.*

Slim Tea Combines Time-Tested and Scientifically Supported Ingredients for All-In-One Cleanse, Detox and Slimming Action*

Prebiotic and Cleanse Blend

With 2g of Fiber, Apple Cider Vinegar, Senna leaf and Chamomile flowers to aid natural elimination and reset your body's natural microflora to promote a healthy gut.*

Liver Detox Blend

With Milk Thistle seed, Dandelion root and Schisandra fruit to promote liver's detoxification function, support weight management and enhance vitality.*

Ayurvedic Reset Blend

With Ashwagandha, Turmeric and Ginger – ancient roots to enhance health and provide normal inflammatory balance.*

This product is not intended to diagnose, treat, cure or prevent any disease.

Carefully crafted with
absolute, unwavering
commitment to quality,
without compromise.

SUGGESTED USE: Mix one stick (4.7g) with 8oz/240mL of hot or cold water. This product is for adults and children 12 and over. Store in a cool, dry place away from direct sunlight.

NOTICE: This product contains Senna (*Cassia angustifolia*). Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Senna may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
